Flip Top

BASE FINISHES

Polished Aluminum | White Powder Coat | Black Powder Coat | Grey Powder Coat

Black casters are standard on black powder coated bases. Polished casters are standard on all other bases. Glides are available upon special request.

NESTING

To address the needs of the constantly changing multi-purpose conference area, Costa provides reconfigurability, modularity and flexibility of use. The simple, intuitive design enables the user to manage efficiently the everyday demands of setting up and reconfiguring a meeting room. The nesting feature and flip top options provide a quick transition to storage and minimization of space.
