

Eagle NX

Back Extension

15-piece strength line featuring restyled aesthetics, refined movements, and reimagined user features designed to provide all users with progressive training options.

FEATURES

- **Optimal and controlled movements:** Curved lumbar pad encourages optimal range of motion, designed to promote controlled movement into extension.
- **Dual positions:** Pad allows user to train hip extension, lumbar extension or both at the same time.
- **Consistent and effective:** Counterbalancing offsets user's weight for more consistent loading and greater effectiveness.

USER AMENITIES

- **Placards:** Review proper set-up, movement and muscles trained. QR codes provide access to step-by-step videos demonstrating correct form and multiple exercise options.

- **Smartphone/tablet holder:** Your mobile device is safe and secure with our adjustable clip, designed for all smartphones and tablets. Simply clip in and go.

- **Water bottle/towel holder:** Keep your water and towel in arm's reach with our convenient water bottle and towel holder, standard on every Eagle NX machine.

Visit our website for instructional videos on standard and advanced movements.
