

Eagle NX

Pulldown

15-piece strength line featuring restyled aesthetics, refined movements, and reimagined user features designed to provide all users with progressive training options.

FEATURES

- **Independent arms:** Add training variety and achieve balanced strength development.
- **Dual axis technology:** Get variety and versatility with both machine-defined and user-defined movements. Choose your level of intensity and train with confidence.
- **Accommodating to all:** Thigh stabilization pad designed for different body types and strength levels.

Visit our website for instructional videos on standard and advanced movements.

USER AMENITIES

- **Placards:** Review proper set-up, movement and muscles trained. QR codes provide access to step-by-step videos demonstrating correct form and multiple exercise options.

- **Smartphone/tablet holder:** Your mobile device is safe and secure with our adjustable clip, designed for all smartphones and tablets. Simply clip in and go.

- **Water bottle/towel holder:** Keep your water and towel in arm's reach with our convenient water bottle and towel holder, standard on every Eagle NX machine.
