

Eagle NX

Leg Extension

15-piece strength line featuring restyled aesthetics, refined movements, and reimagined user features designed to provide all users with progressive training options.

FEATURES

- **Range Limiting Devices (RLD):** RLD always matches the resistance profile to the user regardless of range of motion selected, so work out safely and effectively, reducing chance of injury.
- **Greater comfort and stability:** Back pad is adjustable and angled to relieve hamstring tension.
- **Effortless positioning:** Innovative floating tibia pad offers effortless positioning and provides stability.

Visit our website for instructional videos on standard and advanced movements.

USER AMENITIES

- **Placards:** Review proper set-up, movement and muscles trained. QR codes provide access to step-by-step videos demonstrating correct form and multiple exercise options.

- **Smartphone/tablet holder:** Your mobile device is safe and secure with our adjustable clip, designed for all smartphones and tablets. Simply clip in and go.

- **Water bottle/towel holder:** Keep your water and towel in arm's reach with our convenient water bottle and towel holder, standard on every Eagle NX machine.
