

# Free Weights

## Adjustable -10 to 80° bench

The Cybex Free Weight equipment line complements the entire range of Cybex strength products. The sleek design seamlessly integrates the products into your facility's environment and provides the Cybex brand identity to your members value in strength equipment.

### EXTREME STRENGTH

An effective training option every gym needs. Cybex Free Weights look good and are constructed for ease of use. They share the same design elements as Cybex Selectorized and Cybex Plate Loaded equipment for the ultimate in a well-designed gym.

- Cybex science and design in a free weight line.
- Who said hard core has to be intimidating?
- Built tough to keep looking new.

### FEATURES

- Back pad has eight positions from -10° to 80°.
- Seat pad provides three positions from 0° to 20°.
- Features include wheels and a handle for easy moving that doubles as a footrest.
