

# Free Weights

## 45° Back Extension

The Cybex Free Weight equipment line complements the entire range of Cybex strength products. The sleek design seamlessly integrates the products into your facility's environment and provides the Cybex brand identity to your members value in strength equipment.

### EXTREME STRENGTH

An effective training option every gym needs. Cybex Free Weights look good and are constructed for ease of use. They share the same design elements as Cybex Selectorized and Cybex Plate Loaded equipment for the ultimate in a well-designed gym.

- Cybex science and design in a free weight line.
- Who said hard core has to be intimidating?
- Built tough to keep looking new.

### FEATURES

- Unique pivoting thigh pad provides relief for the knee joint enhancing both comfort and safety.
- The 45° angle provides close alignment of strength curve for the low back and hamstrings.
- Adjustment range of 13.5" (34 cm) accommodates users of all sizes.
