

Free Weights

Bent Leg Abdominal Board

The Cybex Free Weight equipment line complements the entire range of Cybex strength products. The sleek design seamlessly integrates the products into your facility's environment and provides the Cybex brand identity to your members value in strength equipment.

EXTREME STRENGTH

An effective training option every gym needs. Cybex Free Weights look good and are constructed for ease of use. They share the same design elements as Cybex Selectorized and Cybex Plate Loaded equipment for the ultimate in a well-designed gym.

- Cybex science and design in a free weight line.
- Who said hard core has to be intimidating?
- Built tough to keep looking new.

FEATURES

- Back pad adjusts in five increments from -30° to 10°.
- Elevated knee reduces lower back strain.
- Leg pads adjust to accommodate femur length.
- Roller pads allow for easier access and greater comfort.
- Assist handle to help user off and on.
