

Plate Loaded Leg Press

Packed with features and exceptional movements, the Plate Loaded line merges superior technology with a passion for fitness. Cybex Plate Loaded and Free Weight lines are the definition of strength training – and equipment no club wants to be without.

EXTREME STRENGTH

Superior biomechanics in a space-efficient package. The Cybex Plate Loaded line is the most space-efficient user-friendly plate loaded line in the industry. It accommodates users of almost any size and its superior design meets the needs of advanced users, without intimidating others.

- Cybex science and design in a plate loaded line.
- Who said hard core has to be intimidating?
- Built tough to keep looking new.

FEATURES

- Three position adjustable backrest.
- Linear bearings allow a smooth, quiet motion and are fully enclosed for safety.
- Optional 10" (25 CM) Weight Post Kit available for added resistance.
