

Prestige VRS

Torso Rotation

21-piece strength line provides a premium option for facilities seeking an exceptionally versatile, user-friendly, biomechanically correct solution for “walkup and workout” users.

FEATURES

- **Bottom pivot design:** Maintains a fixed upper body stabilizing users’ heads and is useful for training when the legs are “driving.”
- **Six starting positions:** Ensure maximal comfort.
- **Foot platforms:** Further stabilize all different body types.

USER AMENITIES

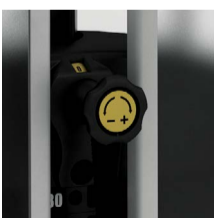

- **Placards:** Review proper set-up, movement and muscles trained. QR codes provide access to step-by-step videos demonstrating correct form and multiple exercise options.

- **Smartphone/tablet holder:** Your mobile device is safe and secure with our adjustable clip, designed for all smartphones and tablets. Simply clip in and go.

- **Water bottle/towel holder:** Keep your water and towel within arm’s reach with our convenient water bottle and towel holder, standard on every Prestige machine.

- **Twist select incremental weight system:** Allows user to adjust weight quickly and simply in 5 pound increments.
