

E3 Cardio HDTV

Exercise. Entertainment. Escape

Everyone approaches exercise differently. Some want every detail of their workout, some would like to add entertainment, and others simply want to escape. Introducing the optional high-definition E3 View monitor. Experience three distinct viewing modes that deliver the precise content that you want on a 15.6" embedded widescreen display. Cybex has made it easy to see exercise as the ultimate escape.

FEATURES

- 15.6" high definition screen with three viewing modes
- Integrates with the CardioTouch (700 Series) command center eliminating the fumble for typical on-screen controls and allows the user to focus on their workout
- Available on 500, 600, and 700 Series Arc Trainers, treadmills, and exercise bikes

THREE VIEWING MODES

- **Exercise:** This view provides a clean and complete look at exercise data.

- **Entertainment:** Users can watch video from TV, iPod, or iPhone while keeping tabs on their exercise data.

- **Escape:** Fills the screen with video from TV, iPod, or iPhone.
