

Total Access Series

625AT Arc Trainer

The 12-piece Total Access line not only meets, but exceeds Inclusive Fitness Initiative (IFI) standards. Providing fitness facilities with a complete cardio and strength solution that accommodates exercisers of all abilities to train in a safe, controlled environment.

FEATURES

- **Locking mechanism for foot pedals:** Provides complete stability for users when stepping on and off the equipment.
- **Static side handles:** Offer added stability when mounting, dismounting and exercising.
- **Raised console iconography and color:** Allows easy identification of the main controls both by colour, large buttons and text for older users, plus raised iconography for visually impaired users.
- **Large color contrasted foot pedals:** Ensure easy identification when mounting and dismounting.
