

Total Access Series

625R Recumbent Bike

The 12-piece Total Access line not only meets, but exceeds Inclusive Fitness Initiative (IFI) standards. Providing fitness facilities with a complete cardio and strength solution that accommodates exercisers of all abilities to train in a safe, controlled environment.

FEATURES

- **Raised console iconography and color:** Allows easy identification of the main controls both by color, large buttons and text for older users, plus raised iconography for visually impaired users.
- **Central height adjustment for saddle:** Allows users to adjust saddle height with either hand.
- **Easy access side handles:** Below seat height for ease of transfer.
- **Unicam pedals with heel straps:** Prevents users' feet from slipping off pedals.
- **Raised iconography on seat adjustments:** Has large text and raised iconography numbers for easy and quick seat positioning.
