

# VR1

## Pulldown

Engineered for value. With its streamlined, space-saving design, this sturdy collection of 23 machines offers a comprehensive strength training solution regardless of your facility's size.

### FEATURES

- **Grabbing versatility:** VR1 offers both barbell and neutral grips which provide users with multiple grip choices to select their most comfortable position.
- **For heavy lifting:** The adjustable thigh pads accommodate a variety of user heights.
- **Ideal for beginners and de-conditioned users:** The VR1 Pulldown offers a machine-defined path of motion which makes it ideal for beginners, seniors and for use in express circuits.
- **More Options:** To beef up the VR1 Pulldown, there is an optional gas spring seat assist; available with incremental weight.
