CAT CREW COMES THROUGH

- Article provided by Jim Burwitz, Corporate Communications

Caterpillar runners and walkers from across the country hit the streets of Chicago to compete in this year's JPMorgan Chase Corporate Challenge.

Shelley Gregg is always looking for ways to get her Caterpillar Decatur co-workers involved in healthy activities that focus on team building. This year she found the perfect fit with the JPMorgan Chase Corporate Challenge.

On May 24, 2012, Gregg and 11 of her Decatur colleagues joined 260 Caterpillar employees (known as the Cat Crew) for the 3.5-mile road race in Chicago, Illinois. The annual Chicago event attracts running and walking teams from more than 600 companies.

"This is my first year, and I'm really excited to be part of the Cat Crew," said Gregg, who serves as race coordinator for Caterpillar Decatur. "I've made lots of friends already. I can't wait to see how much larger we can grow this event each year while we actively promote health-and-fitness opportunities to our employees."

The Corporate Challenge includes races in 13 cities around the world with approximately 250,000 runners and walkers from more than 8,000 companies. Caterpillar has participated in the Chicago race since 1985.

"It was another great year for the Cat Crew," said Team Captain Karen Scheffler. "This event brings together employees from numerous locations and all walks of life."

The Cat Crew's top male and female finishers for 2012 were Bryan McVey (20:38) and Kathleen Dudaryk (26:08). Representatives from Caterpillar's Healthy Balance® program were on hand to provide helpful tips and much-needed water.

"Healthy Balance is honored to be part of the Cat Crew again this year," said Foodservice Manager Jill Eisenbarth. "Our goal is to promote a healthy and active lifestyle, and we commend the Cat Crew participants for walking and running at this exciting event."

Established in 1977, the Corporate Challenge is referred to as "the world's most popular sporting event for the full-time business community." The 2012 event helped raise funds for various not-for-profit organizations, including the American Red Cross.

The 11th annual Family Fishing Derby was held on Saturday, June 2, at the Illinois Central College pond in East Peoria.

Employees, retirees and their dependents and grandchildren enjoyed a cool summer morning filled with catching lots of fish.

As the children made their first catch of the day, a photo was taken at one of the photo tents set up around the pond. With each additional catch, a sticker was added to their personalized photo folder. Younger children visited the portable trout pond that guaranteed a catch for the day. When more activities were needed to keep the interest of the junior fishermen, they headed to the inflatable bouncers, snacks and face painting.

POWER Race ^{30th Anniversary}

The 30th anniversary Caterpillar Power Race took place on Saturday, May 19, with nearly 400 runners and walkers participating – marking the second largest race in its history. Three races were held again this year: 5K Power Run, 1 Mile Fun Run/Walk, and the ½ Mile Kids Only Run. Employees, retirees and their dependents enjoyed the healthy competition on a sunny and pleasant Saturday morning in the streets of downtown Peoria. Family and friends accompanied the participants to show their support. Awards were given to winners in each age bracket.

Overall 5K Winners: David Lawson (17:27) Rhonda Haffner (21:47)
