

Autumn Adventure

The 10th annual Autumn Adventure was held on Saturday, September 22, at Sommer Park. Fall officially began that day and while a bit windy and crisp during the morning hours, the afternoon turned out to be sunny and warm. Families enjoyed a fire safety smokehouse, inflatable bouncers, crafts, pony rides, rock climbing wall, petting zoo, face painters, hayrack ride, snacks, lunch, bingo and more. In addition to all of those activities, attendees also had the chance to get up close to the antique equipment on display and participate in mid-19th century activities.

Kati Koza, IMOD Consolidations, commented "Autumn Adventure provides a great opportunity for families to partake in a fun-filled event. Since I've started at Cat, our family has attended the annual event and our boys look forward to it in the fall. Josh, 8, would spend the entire day on the rock wall if given the chance, while Connor, 4, enjoys the animals and pony rides. There is something for everyone to enjoy! Autumn Adventure provides a family-friendly atmosphere and allows you to meet other employees from within Caterpillar." Corey Enderle, Advanced Components Systems, added "It was lots of fun and great seeing other parents from my children's school that I did not realize worked at Caterpillar. The rock climbing wall was a huge hit for the kids!"

Cruise to the Bahamas

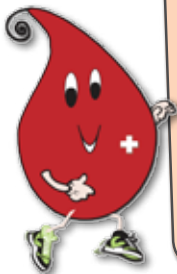

For the first time ever, Social Activities offered a cruise to the Bahamas. Several flights left the Peoria and Bloomington areas on Thursday, October 4, and transported all 109 attendees to a Miami hotel so they could prepare to board the cruise ship. The Royal Caribbean's Majesty of the Seas cruise ship disembarked on October 5 for a 4-day, 3-night cruise to CocoCay (Royal Caribbean's private island) and Nassau/Paradise Island in the Bahamas. Once on the cruise ship, attendees had the option to participate in all of the cruiseline activities or simply spend time relaxing. Swimming, parasailing, lounging, visiting Atlantis, and shopping were just a few of the activities enjoyed. Robert Briick, Caterpillar retiree, commented "Congratulations on an excellent planned trip to the Bahamas. The four of us had an excellent time and really appreciated your detailed planning throughout the trip. We can't imagine the work involved to coordinate 109 people on a cruise so effectively, where everyone we talked to is waiting for the next cruise. Thank you!"
