

# LEAGUE TABLE

As part of our on campus activity, we have designed a competition where students can drive a mini excavator to complete a task within the quickest time possible. This is an opportunity for students to operate a Cat® machine and speak to current placement and graduate students about the current vacancies available within Caterpillar such as Engineering, IT, Finance, Purchasing and Sales and Marketing.

Name	University	Degree	Score (Minutes:Seconds)
Tom Baker	Loughborough	Materials Engineering	0:37
Greg Roddick	Loughborough	Maths PhD	0:40
Asanka Weeratunge	Loughborough	Physics	0:58
Dan Khan	Loughborough	Aerospace Engineering	0:59
Adam Crossland	Loughborough	Automotive Materials	1:00
Ross Loades	Loughborough	Systems Engineering	1:24
Rob Eraine	Loughborough	Electrical Engineering	1:38
Charlie Booth	Loughborough	Mechanical Engineering	1:50
Vikki Crawshaw	Loughborough	Criminology	1:55
