

2013 BOWLING TOURNAMENT

The 14th annual Caterpillar Employees Bowling Tournament was held on Saturday, January 12, at Landmark Lanes. The tournament is set up in a 9-Pin No Tap format where bowlers who leave one pin standing after the first ball earn a strike.

The lanes were abounding with employees, retirees and spouses enjoying the company of their fellow Caterpillar family with a fun, energetic, and slightly competitive nature.

"Wow, talk about engagement! This was the first time that I participated in the Caterpillar Employees Bowling Tournament. To see all the Cat employees coming together – meeting and greeting each other – with the lanes full was so exciting for me! All the while, I was wondering if I would be able to break a score of 100. I am definitely looking forward to next year," stated Deborah Easley, ACS Global Operations. Ron Mahrt, Americas Product Health, added "For this year's tournament, we made up a team of five co-workers and three retirees, and everyone had a great time. This tournament is not focused on an individual's bowling ability, but on having fun. Everything was well planned and organized, and our team is looking forward to next year's tournament."

Bowlers are divided into seven brackets by discarding the bowler's lowest score and averaging the three highest scores. Bowlers must participate in all four games to be eligible for prizes. The highest scores in each bracket are listed in this article. Individual scores may be found on the Social Activities website.

CAT CREW CHASE CORPORATE CHALLENGE CHICAGO – GRANT PARK

Thursday, May 23, 2013

Race Start Time: 7:10 pm

Promoting fitness in the workplace, friendly competition between teams, and camaraderie among fellow employees, the Chase Corporate Challenge is like no other event! Join the Cat Crew...walkers, runners, co-workers, and those who just want to be part of a very fun and exciting experience. Landmarks along the race route include Lake Shore Drive, Buckingham Fountain, and Lake Michigan. Social time before and after the race is as rewarding as walking or running the spectacular course!

The Cat Crew will participate in the 2013 Chicago Chase Corporate Challenge, along with over 20,000 employees from 600+ companies. Last year the Cat Crew included employees from Aurora, Decatur, Des Plaines, Downers Grove, Joliet, Lafayette, Peoria-area (9 facilities), Pontiac, and San Diego and was awarded the 4th largest team with over 250 participants.

The Corporate Challenge event includes a 3.5-mile road race for runners and walkers sponsored by JPMorgan Chase with similar events held around the world – in 13 cities in seven countries on five continents – in total over 248,000 employees participating from 8,000+ companies. The Corporate Challenge celebrates teamwork. Unlike other road races, individuals can only enter if the company is entered. The goal is to bring companies and their employees together in a healthy, camaraderie-filled environment for a fun night. Employees of a company are scored as a team and compete against other corporate teams.

Information on how Caterpillar employees can register for the event and be part of the Cat Crew will be provided in the March issue.
