SOFTBALL LEAGUE COMES TO A CLOSE

Over 730 employees, retirees, and their spouses enjoyed exercise and recreation during the Caterpillar employees softball league that ran from May through August. Softball fielded 42 teams with games played Monday through Thursday at Oak Ridge Park in Washington. For decades, Caterpillar has sponsored athletic leagues to encourage employees to engage in fitness activities and to provide ways to interact with other employees in a social setting.

Caterpillar Employees Mixed Chorus
presents:

The WIZARD of OZ

Caterpillar Inc. has sponsored the Employees Mixed Chorus for the past 72 years, making it the oldest employee activity of its kind in the world. The Chorus is a musical outlet for all employees, retirees, and dependents whose talents are also enjoyed by the community as a whole. Every fall, the Chorus presents a major musical production with additional Chorus musical activities including a Spring Variety Show performed at local retirement communities.

The *Wizard of Oz* was first performed on-stage at the Grand Opera House in Chicago on June 16, 1902. On January 21, 1903, the show opened on Broadway at the Majestic Theatre in New York. It became the longest running show of the decade and toured the country in road shows until 1911. On stage or screen, *The Wizard of Oz* has enchanted family audiences for decades. Adapted from L. Frank Baum's venerated children's book *The Wonderful Wizard of Oz*,
