Around the Green Golf Scramble

Over 500 Caterpillar employees and retirees participated in the 9th Around the Green Golf Scramble on August 23 & 24 at WeaverRidge Golf Club. Annette Verpraet, Legal Services Division, commented "I look forward to the Around the Green Golf Scramble every year. The event is so well planned and the course venue at Weaver Ridge adds to the enjoyment of this annual vacation day. Our team is already planning on next year's event and the prospect of winning a team or individual prize for our golf skills." "The Around the Green Golf scramble was an excellent event this year. Great choice in WeaverRidge...definitely one of the best golf courses in Peoria. The event was very well managed. I can't remember the last scramble I played in where we finished in 5 hours. All in all, one of the best Caterpillar events I've participated in. Can't wait for next year!" added Clint Hutchcraft, Mining Sales & Support Division. At the conclusion of each scramble, golfers socialized and shared stories while enjoying a meal and the awards presentation. Awards were provided to Flight winners in addition to the foursome in each session that had the highest score (for extra practice). While there weren't any winners to the variety of hole-in-one promotions that were added to this year's event, event organizers are looking forward to offering something similar again next year.
