## **EVENT ELIGIBILITY**

Company-sponsored social activities and services play an important role in the strength and development of every business because they offer employees the opportunity to get to know each other outside of the work environment and at the same time enhance working relationships.

The Caterpillar Social Activities team is dedicated to fill this need for Caterpillar employees, retirees, and their families. The program's purpose is to create an environment for employees and retirees with similar interests to have fun and entertainment in a relaxed, social setting. The Social Activities program includes activities/events, clubs, athletic leagues, discount tickets, bus trips/excursions, and convenience services.

To register in the Social Activities offers, you must be an active Caterpillar employee or retiree. For some activities, legal dependents and guests are included. In order to ensure the intended audience (the employee/retiree) is being served, the following criteria have been established.

- Athletic Leagues Active Caterpillar employees and retirees are eligible to participate. Spouses are
  eligible to participate if the employee/retiree participates.
- Bus Trips/Excursions Active Caterpillar employees and retirees are eligible to register. Guests are eligible
  to participate if they attend with the employee/retiree.
- Clubs Active Caterpillar employees and retirees are eligible to be members of the employee clubs.
- Events Active Caterpillar employees and retirees are eligible to register. For some events, legal dependents
  and grandchildren are eligible to participate as long as the employee/retiree participates. Due to resources
  available, other individuals (parents, grandparents, adult children, aunts & uncles, friends visiting from out of
  town, etc.) are not eligible to attend. (Event eligibility varies by event and is included on every registration form.)

#### Basketball League comes to a close

Almost 400 employees enjoyed exercise and recreation during the 2014 Caterpillar Employees Basketball League. The league ran from January through mid-April and fielded 36 teams. Games were played Monday through Thursday at River City Athletic Club and Norwood Elementary School. Caterpillar has sponsored athletic leagues for several decades to encourage employees to engage in fitness activities and to provide ways to interact with other employees in a social setting.
