## OVERHAUL PROTECTION TRUCK (OPT)

For a limited time, get 2 years  
of ESC for your qualifying  
OPT overhaul

- Free 2-year Extended Service Coverage for qualifying OPT overhauls
- Valid: January 1, 2015 - December 31, 2015
- Available when an OPT overhaul is performed with one optional OPT overhaul component (turbos or 6 fuel injectors)
- No mileage or hour limitations

### OPT guards your complete overhaul

Overhaul Protection for Truck (OPT) engines protects your on-highway engine after a qualifying overhaul has been completed by an authorized Cat dealer. An Extended Service Coverage program for Cat engine components that either pass inspection or are replaced at the time of service, OPT covers you when your Cat dealer performs a complete overhaul.

- Covers 100% of parts and labor costs for covered component repairs due to defects in materials, factory and dealer workmanship and damage caused by the failure
- Available for on-highway engines in 24-, 36-, or 48-month terms.
- Provides coverage on Cat engine components that either pass inspection or are replaced at the time of the overhaul
