

## CAT CREW SPLASHES CHICAGO IN YELLOW

— by Chelsea Peck

Several hundred Caterpillar employees from 22 locations took to the streets of Chicago on a beautiful May evening with one goal in mind—make it to the finish line while showing their Cat pride.

The JPMorgan Chase Corporate Challenge has been a staple event for Caterpillar employees since 1985, when just 20 employees participated. This year, Caterpillar hauled in close to 300 employees decked out in Caterpillar Yellow.

The race is 3.5 miles near Chicago's lakefront, giving race participants an exciting route to follow while running, walking or jogging along with more than 25,000 participants from over 600 companies. Since this race is so popular, it's a little different than others—making it more of a fun, social outing than a competitive race. Supporters cheered the runners on along the route with shouts of **GO CAT** in addition to the finish line announcers providing a lot of coverage, giving an extra boost of encouragement to keep runners going.

Grant Park was sprinkled with tents from companies throughout Illinois, with music, laughter and chatter carrying across the grounds. But none like the splash of yellow by the Cat Crew tent. The race offered an opportunity for colleagues to interact outside of the cubicle, sharing stories and jokes over food following the race.

Top finishers for Caterpillar were Jeff Johnson and Kat Dudaryk, both from the La Grange facility.

## Cat Family Fishing Derby

The 14<sup>th</sup> annual Family Fishing Derby was held on Saturday, June 6, at the Illinois Central College pond in East Peoria. Over 300 employees, retirees and their dependents and grandchildren enjoyed a sunny summer morning filled with catching lots of fish.

As the children made their first catch of the day, a photo was taken at one of the photo tents set up around the pond. With each additional catch, a sticker was added to their personalized photo folder. Besides partaking in the portable pond where younger children were guaranteed a catch for the day, all of the children in attendance enjoyed the inflatable bouncers, rock wall, balloon artist, snacks and face painting.

"Thanks to the Social Activities team for such a great family activity! Our grandson, Reeve, thoroughly enjoyed himself and so did my husband. It was an absolutely perfect day so that as many Caterpillar families as possible could enjoy a quality activity."

Reeve is 2½, so it was our first time in attendance at the Derby. He was so excited to catch 8 fish and to explore the Cat Wheel Loader with Papa! He wanted to climb the rock wall, but that will have to wait until he is a little bigger. We hope to attend next year with his little brother, too," commented Jan Juricic, Global Supply Network Division.
