

## **Altec® LRV60-E70 Lift**

## ATC/Altec® LRV60-E70 Lift

Weight as shown 39,000 lbs. Width 8'6" shipping/10' working

Currently Altec's bucket is a self contained unit with:

Kubota pony engine

Air compressor

Auxiliary hydraulic tank.

The 11'2" minimum height is accomplished by letting air out of the tires.
