3406 Engine Overhaul

**BUILT FOR IT.** 

# SIMPLE OVERHAULS FOR HORNBECK OFFSHORE SERVICES INC.

Hornbeck, a commercial offshore servicing vessel company, relies on Cat engines to run their fleet — and has for more than 20 years. So when the time came to perform an engine overhaul, they looked to their Cat dealer to help with an easy quote and quick rebuild process. Selecting a Bundled Repair Solution saved time on pulling parts, and using their Cat dealer for service got them back to business sooner.

## RELIABILITY FOR HARBOUR CITY FERRIES

As the prime source of public transportation on the Sydney Harbour in Australia, Harbour City Ferries needed an overhaul they could trust and a turnaround time they could afford. The Cat Marine Bundled Repair Solution offered them a prepackaged kit, making parts selection easy and Cat dealer service ensured the engine was rebuilt right, and right on time.
