

AN OUNCE OF PREVENTION...

Preventive Maintenance Agreements for Marine Pleasure Craft

World-class Service, Worldwide Coverage

Caterpillar now offers Preventive Maintenance Agreements to keep your engines running at maximum performance. The renowned global network of Cat® dealers and authorized marine dealers ensures professional service technicians with the experience, training and tools to perform your preventive maintenance quickly and accurately. Spend more time enjoying your vessel and less time worrying about your engines.

Maintenance Made Simple

Cat® Preventive Maintenance Agreements allow you to lock in maintenance costs at today's rates for the term of the contract. Preventive Maintenance protects your engine at every stage of its life and helps you avoid unbudgeted repair costs. Preventive Maintenance Agreements are fully transferable and provide a documented maintenance history for your engines, which increases the resale value of your vessel and makes it more attractive to potential buyers. Preventive Maintenance Agreements are available anywhere in the world with no restrictions and no zones.

Contact your local Cat dealer to find out more about getting the performance you expect with the coverage you deserve.
