Toolbox Talks are intended to facilitate health and safety discussions on the job site. For additional Toolbox Talks, please visit SAFETY.CAT.COM™.

TOPIC: Machine Safety—Stalled Engine

Overview

Your response to a stalled engine would be similar to any drive train failure.

What To Do

- Stop the truck
- Shift to neutral
- Engage the parking brake
- Try to restart the engine
- If that doesn't work, call your service technician

Discussion Date: _____
