

Modular Acoustic Enclosures

24 – 220 kVA Range (CAL / CALG)

The compact modular design of the 24 – 220 kVA CAL and CALG enclosures ensure optimum performance in the harshest of environments. Designed on modular principles, they have interchangeable components permitting on-site repair. Lift off doors and access panels provide optimal service and maintenance access.

Extremely durable and robust, the enclosures are designed to resist corrosion and handling damage with the ability to withstand rough handling common on many construction sites.

Developed through continuing research and development by our specialist engineers, all FG Wilson enclosures are weather resistant and incorporate internally mounted exhaust silencers.

The sound attenuated CAL and CALG enclosures reduce sound levels to comply with the stage II levels of the European Community Directive 2000/14/EC, effective from 3 January 2006.

Excellent Access for Maintenance

- » Side hinged doors on both sides of the enclosure opening to 180°
- » Side hinged doors lift off at 90°
- » Removable front and rear access panels
- » Lube oil and coolant drain valves

Robust/Highly Corrosion Resistant Construction

- » High grade steel protected by powder coat paint (CAL)
- » Galvanised steel protected by powder coat paint (CALG)
- » Black finish stainless steel locks and hinges
- » Zinc plated / stainless steel fasteners

Transportability

- » Lifting points on base frame facilitating handling from both sides

Security and Safety

- » Control panel viewing via large viewing window in lockable enclosure door
- » Emergency stop push button mounted on enclosure exterior below control panel
- » Cooling fan and battery charging alternator fully guarded
- » Fuel fill and battery can only be reached via lockable access doors
- » Fully enclosed exhaust silencing system for operator safety

FG Wilson manufactures product in the following locations:

Northern Ireland • Brazil • China • India

With headquarters in Northern Ireland, FG Wilson operates through a Global Dealer Network.

To contact your local Sales Office please visit the FG Wilson website at www.FGWilson.com.

FG Wilson is a trading name of Caterpillar (NI) Limited.

In line with our policy of continuous product development, we reserve the right to change specification without notice.
