

Cat® Extended Service Coverage (ESC)

4 EASY STEPS TO PROTECT YOUR PRIME GENERATOR SET

Your operation depends on reliable power. That's why you trust Cat® generator sets. With Extended Service Coverage (ESC), you get additional coverage that's just as durable and long-lasting. ESC for **new, used and overhauled prime and rental generator sets** protects your investment and your peace of mind.

Choosing coverage is as easy as following these four steps.

1 CHOOSE FROM A VARIETY OF COVERAGE OPTIONS

First, extend your protection beyond the original factory warranty by choosing the coverage option that's right for your situation.

NEW ESC	Coverage for electric power prime and rental generator sets is available in 24- to 60- month terms, in 12-month increments, if purchased before the end of your original factory warranty.
ADVANTAGE ESC	Your engine or genset is eligible if it meets all of the following criteria: <ul style="list-style-type: none">> Within defined age and usage hour limitations> Not previously overhauled> Passes Advantage inspection requirements administered by a Cat authorized dealer (if applicable by program).
OVERHAUL ESC	Coverage is available in 12- to 60- month terms, in 12-month increments. Your prime or rental generator set is eligible once a qualifying overhaul has been completed by an authorized Cat dealer in accordance with the Overhaul ESC Checklist.

2 IDENTIFY YOUR COVERAGE NEEDS

Next, identify the age and current operating hours of your generator set since delivery or overhaul. Then calculate your annual hours of use to choose the best ESC coverage terms to fit your needs.

3 SELECT YOUR COVERAGE LEVEL

Then, choose from our Silver, Gold, Platinum or Platinum Plus coverage levels (New and Advantage ESC only) to get the exact amount of protection you need based on the Coverage Matrix¹ and Additional Allowances. Overhaul ESC options are also available. Contact your local Cat dealer for details.

1 This Coverage Matrix is for reference only and does not represent a complete list of covered components. For additional information, please reference the appropriate ESC contract.

2 Platinum level coverage covers all as-shipped consist from the factory with Cat part numbers. Some exclusions may apply.

3 Recent emissions-compliant engines or generator sets may be equipped with a Diesel Particulate Filter (DPF) and/or a Selective Catalytic Reduction (SCR). We offer coverage at an additional cost on these emissions components. Silver, Gold, Platinum or Platinum Plus base level coverage is required.

Platinum Plus goes beyond Platinum coverage to include Cat components installed by an authorized dealer. Such components must be approved. See your Cat dealer for details.
