

Caterpillar Offers Intalere Members Extended Service Coverage with Purchase of Diesel or Gas Standby Generator Sets

Effective on delivery August 1, 2016, through December 31, 2017

A Free Platinum 4 Year Extended Service Coverage (ESC) is yours when you purchase a Cat® standby generator using the Intalere contract.

Now when you purchase a diesel generator set (excluding Tier 4) or gas generator set (300 kW and below) sold into standby applications, you'll receive a FREE Platinum 4 Year ESC with no deductible. Run the generator up to 500 hours/year? It still qualifies as standby.

You may extend the ESC up to 10 years for an additional charge. Cat units are also eligible to upgrade to Platinum Plus Coverage.
