

NOT JUST A PRODUCT,  
BUT A SOLUTION.  
NOT JUST A SERVICE,  
BUT AN OUTCOME.

## PROVEN TECHNOLOGIES FROM THE LEADER IN MINING AUTOMATION

### A COMPREHENSIVE MINE PRODUCTION SYSTEM™

Part of Cat® MineStar™, Command provides automation solutions for drills, dozers, trucks and underground loaders

### AUTOMATION OFFERINGS COUPLED WITH AN OEM CORE

Robust, validated components backed by on-site training, change management services, and operational and product support

### TRACK RECORD OF RESULTS

Three decades of success — including the largest single fleet of autonomous trucks in the world

### MULTIPLE ENTRY POINTS

Rapid, repeatable and scalable deployment to get you up fast and making money

### ANY BRAND OF EQUIPMENT

Retrofits and customized solutions for mixed fleets that eliminate the need for wholesale fleet replacement

### PROVEN RECORD OF SAFETY

Zero lost time injuries with over 600 million tonnes moved autonomously
