PURPOSE-BUILT TO PROVIDE INCREASED VERSATILITY

Increasing environmental regulation. Need for cost savings and energy efficiency.
And challenging market conditions. All factors that drive change.

Whatever your job-site requirements, we have the machine to support your reuse and recycling operations. Choose between frontline- or support machines that are suitable for indoor- or outdoor use. Our new equipment enables you to maintain a high standard of both safety and operational efficiency while reducing noise and dust pollution.

Change to Cat MH and make a difference!

YOU MOVE MORE WITH DEDICATED WORK TOOLS

You move valuable commodity. To maximize your profitability, you need productive equipment that allows you to manage your costs. And you have to satisfy your customers' requirements, whether you reach those customers by truck, rail or water.

Cat equipment is ready to help you fulfil customer orders. Quickly and efficiently. Cat work tools are sold through the same Caterpillar dealers as Cat machines. That gives you access to an integrated service and support network – a single organization for machine and work tool parts and service. No other manufacturer can offer you the same.
