

Electric Power Parts & Service **PARTS WARRANTY**

The warranty has been extended
from six months to one year.

FREQUENTLY ASKED QUESTIONS

What is changing?

1. The purpose of this communication is to advise customers worldwide that Caterpillar is increasing the warranty on Cat® parts used in Cat-branded Electric Power applications from six months to one year per Warranty Statement SELF5618. Warranty Statement SELF5618 contains all final terms and conditions that apply to this warranty extension.

2. Olympian™ products are not affected by this change.

Will this include all Electric Power parts?

Yes, the increased warranty covers all Cat parts used in Cat Electric Power applications.

Why is this change being made?

Caterpillar Electric Power continuously strives to provide better value for our customers.

Will this change be retroactive?

No.

Will Caterpillar parts pricing be increased as a result of this change?

No.
