“Why do I work at Caterpillar?”

“Before working here, I had never held tools in my hands. I came to find that I love it. If you have a mindset of wanting to improve yourself, to really grow here, there’s always the opportunity. In the Caterpillar culture, the choice is yours in how far you go.”

—Mayra, Caterpillar Victoria employee since January 2016

“I have always liked working with my hands, and managed roofing crews before I came here. Caterpillar is a big brand. I saw so much opportunity in terms of career goals. Your leaders will really work with you - I moved to second shift to accommodate my school schedule.”

—Elvis, Caterpillar Victoria employee since March 2017

“I worked in sales and customer service before coming to Caterpillar. This is more hands on; I love it. The health insurance and the weekends off, the stable hours - it works perfect for me. I can develop a routine. Best of all, my leader believes in me and I believe in myself as well. I’m saying yes to everything now.”

—Dominique, Caterpillar Victoria employee since July 2014
