“Why do I work at Caterpillar?”

“Before I came to Caterpillar, I was a customer service rep, on the phone. I love my job here because now I’m active all day long. It’s good for my health. It’s fast paced, there’s always something new to learn and people are so friendly.”

—Margaret, Caterpillar Victoria employee since August 2013

“I was a mechanic before coming here. This is not just a job to me; it’s the opportunity to begin a really good career for the next 20-30 years. I also like the hours and the variety of the work. I want to learn all aspects of working at Caterpillar, from front to back.”

—Kyle, Caterpillar Victoria employee since June 2018

“This is actually my first job. I’m glad I’m at Caterpillar because it’s a lot of hands-on work, and I’m pretty mechanically inclined. Office work is not for me.”
