Standard "No Charge" GreenSock License

Copyright 2006-2015, GreenSock, Inc. Updated 2012-05-15

PLAIN ENGLISH SUMMARY:

You may use the code at no charge in commercial or non-commercial apps, web sites, games, components, and other software as long as end users are not charged a fee of any kind to use your product or gain access to any part of it. If your client pays you a one-time fee to create the site/product, that's perfectly fine and qualifies under the "no charge" license. If end users are charged a usage/access/license fee, please sign up for a ["Business Green" Club GreenSock](#) membership which comes with a comprehensive commercial license. See <https://greensock.com/club/> for details.

Use at your own risk. No warranties are offered.

Please respect the copyright.

LEGALESE:

This is a legal agreement between you (either an individual or a single entity) and GreenSock, Inc. ("GREENSOCK") for the proprietary GreenSock code known as TweenLite, TweenMax, TweenNano, TimelineLite, TimelineMax, and other copyrighted code that is available for download at <https://www.greensock.com> (this code and documentation, as well as any updates which may at GREENSOCK's sole discretion be provided to you from time to time, are referred to in this Agreement as "PROGRAM"). By downloading, copying, or otherwise using the PROGRAM, you agree to the terms and conditions of this Agreement. If you do not agree to the terms and conditions of this Agreement, please do not download or use the PROGRAM.

I. LICENSE

A. Subject to the terms and conditions of this Agreement, GREENSOCK hereby grants you a non-exclusive, worldwide, non-transferable right to use the PROGRAM in apps, web sites, games, components and other software applications ("Developed Works") for which the end user is NOT charged any fees. If you would like to use the code in a commercially licensed Developed Work for which end users are charged a fee (either for usage or access), simply sign up for the appropriate "Business Green" Club GreenSock membership at <https://www.greensock.com/club/>.

II. LIMITATION OF LICENSE AND RESTRICTIONS

A. You agree that you will not sell, rent, or license the PROGRAM's source code or any derivative works thereof to any third party without the prior written consent of GREENSOCK. Distribution of the PROGRAM as part of your Developed Work is acceptable so long as it is used exclusively as a part of your Developed Work. You agree not to modify or delete GREENSOCK'S existing copyright notices located in the source code.

B. You may use, duplicate, and distribute the compiled object code as embedded in Developed Works created by you, either for your own use or for distribution to a third party so long as end users of the Developed Work are not charged a fee for usage of or access to any portion of the Developed Work. Please see <https://www.greensock.com/licensing/> for descriptions of Developed Works that qualify for the "No Charge" license.

C. You may make modifications to the source code exclusively for your own use in order to perform bug fixes or other minor edits required to operate the PROGRAM as originally intended.

III. CONSIDERATION

A. The license rights granted to you under this Agreement are at no charge, but only in the following circumstances: If on your own behalf or on behalf of a third party you incorporate the PROGRAM into a web site, app, game, program or any component thereof (collectively, "Developed Work"), which in the case of a web site, must be accessible to internet users without payment of a fee of any kind, and in the case of a software application, game, program or component, neither you nor anyone to whom you distribute the Developed Work charges a user a fee of any kind to use such Developed Work or application, game, program or component into which such Developed Work is embedded. The foregoing shall apply regardless of whether you are paid to create such Developed Work.

B. In the event your intended use of the PROGRAM does not meet the criteria for the "no charge" license rights set forth in the immediately preceding paragraph, then you are not licensed to use the PROGRAM under this Agreement and must license the PROGRAM under GREENSOCK'S separate fee-based Software License Agreement which is granted to "Business Green" Club GreenSock members (see <https://greensock.com/club/> for details).

C. You may make modifications to the source code exclusively for your own use in order to perform bug fixes or other minor edits required to operate the PROGRAM as originally intended.

IV. TITLE AND OWNERSHIP

The PROGRAM is licensed, not sold, and is protected by copyright laws and international treaty provisions. You acknowledge that no title to the intellectual property in the PROGRAM is transferred to you. You further acknowledge that title and full ownership rights to the PROGRAM, including all intellectual property rights therein, will remain the exclusive property of GREENSOCK and you will not acquire any rights to the PROGRAM except as expressly set forth in this Agreement. You agree that any copies of the PROGRAM you make will contain the same proprietary notices which appear on and in the PROGRAM. You agree that GREENSOCK may identify you as a licensee unless you make a written request otherwise. GREENSOCK hereby grants to you the right to disclose that your product, game, software application, component, or other Developed Work makes use of GREENSOCK code (for example, "Powered by TweenLite").

V. DISCLAIMER OF WARRANTY AND LIMITATION OF LIABILITY

A. THE PROGRAM IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. GREENSOCK DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE PROGRAM WILL MEET YOUR REQUIREMENTS OR THAT OPERATION WILL BE UNINTERRUPTED OR ERROR FREE. GREENSOCK shall not be liable for special, indirect, incidental, or consequential damages with respect to any claim on account of or arising from this Agreement or use of the PROGRAM, even if GREENSOCK has been or is hereafter advised of the possibility of such damages. Because some states do not allow certain exclusions or limitations on implied warranties or of liability for consequential or incidental damages, the above exclusions may not apply to you. In no event, however, will GREENSOCK be liable to you, under any theory of recovery, in an amount in excess of \$250. Notwithstanding anything else in this agreement, you agree to indemnify GREENSOCK, its assignees, and licensees, and hold each of them harmless from and against any and all claims, losses, damages, and expenses, including legal fees arising out of or resulting from any negligent act or omission by you.

B. GREENSOCK may, at its sole discretion, provide support services related to the PROGRAM, but has no obligation to do so.

VI. TERMINATION

If you at any time fail to abide by the terms of this Agreement, GREENSOCK shall have the right to immediately terminate the license granted herein and pursue any other legal or equitable remedies available.

VII. MISCELLANEOUS

A. This Agreement shall be construed in accordance with the laws of the State of Illinois. In the event of any dispute between you and GREENSOCK with respect to this Agreement, we both agree that if we cannot resolve the dispute in good faith discussion, either of us may submit the dispute for resolution to arbitration with the American Arbitration Association before a single arbitrator using the AAA Rules for Commercial Arbitration. The arbitrator's decision is final and can be enforced in any court with jurisdiction over such matters.

B. This agreement represents the complete and exclusive statement of the agreement between GREENSOCK and you and supersedes all prior agreements, proposals, representations and other communications, verbal or written, between them with respect to use of the program. This agreement may be modified only with the mutual written approval of authorized representatives of the parties.

C. The terms and conditions of this Agreement shall prevail notwithstanding any different, conflicting, or additional terms or conditions which may appear in any purchase order or other document submitted by you. You agree that such additional or inconsistent terms are deemed rejected by GREENSOCK.

D. GREENSOCK and you agree that any xerographically or electronically reproduced copy of this Agreement shall have the same legal force and effect as any copy bearing original signatures of the parties.

GSAP THROWPROPSPLUGIN - CLUB GREENSOCK MEMBERSHIP BENEFIT.

This application includes a GSAP Club GreenSock plugin called [ThrowPropsPlugin](#). The license below applies to Club GreenSock plugins only. Any software accompanying the plugins is NOT A CONTRIBUTION.

NON-EXCLUSIVE SOFTWARE LICENSE AGREEMENT

This is a legal agreement between you (either an individual or a single entity) and GreenSock, Inc. ("GREENSOCK") for the proprietary GreenSock code known as GSAP, TweenLite, TweenMax, TimelineLite, TimelineMax, and other copyrighted code that is available for download at <https://www.greensock.com> (this code and documentation, as well as any updates which may at GREENSOCK's sole discretion be provided to you from time to time, are referred to in this Agreement as "PROGRAM").

Copyright GreenSock, Inc. Updated 2015-01-05

LICENSE

Subject to the terms and conditions of this Agreement, GREENSOCK hereby grants you a non-exclusive, worldwide, non-transferable right to authorize up to an aggregate total of 1 employee or contractor ("User") to use the PROGRAM as a tool for the development of your web sites, apps, games, components and other software applications ("Developed Works"). You have the right to use, reproduce, modify and distribute your Developed Works created using the PROGRAM. During the maintenance term of the license which is while your Club GreenSock membership is active, GREENSOCK shall make available and shall deliver to you, at no additional cost, any updates and enhancements for the PROGRAM that are released to other third parties under license with GREENSOCK.

LIMITATION OF LICENSE AND RESTRICTIONS

You agree that you will not sell, rent, or license the PROGRAM's source code or any derivative works thereof in source code format or any standalone versions thereof that deliver functionality that is substantially similar to the PROGRAM's to any third party without the prior written consent of GREENSOCK. Distribution of the PROGRAM as part of your Developed Work is acceptable so long as it is used exclusively as a part of your Developed Work. You agree not to modify or delete GREENSOCK'S existing copyright notices located in the source code. You will not assign this Agreement, and any attempt by you to assign it shall be void from the beginning. You may, however, assign this Agreement to one successor to your business, whether by merger, change of control, or asset sale as long as you notify GREENSOCK of such assignment within 30 days of its occurrence.

You may use, duplicate, and distribute the compiled object code in a Developed Work created by you, either for your own use or for distribution to a third party, and you may license those Developed Works to end users and to third parties, who may also further license such Developed Works to end users. You must not, however, permit an end user of the Developed Work to extract the PROGRAM and use it separately from the Developed Work.

You may make modifications to the source code exclusively for your own use in order to perform bug fixes or other minor edits required to operate the PROGRAM as originally intended.

CONSIDERATION

You agree to pay to GREENSOCK the following annual license royalties: \$150.00 USD

Failure to pay such fees within 30 days of their due date constitutes a breach of the Agreement, causing the termination of your membership and this Agreement. You may cancel your membership anytime but refunds are only available for 45 days after payment is rendered each year. Cancellation of your Club GreenSock membership terminates this Agreement.

TITLE AND OWNERSHIP

The PROGRAM is licensed, not sold, and is protected by copyright laws and international treaty provisions. You acknowledge that no title to the intellectual property in the PROGRAM is transferred to you. You further acknowledge that title and full ownership rights to the PROGRAM, including all intellectual property rights therein, will remain the exclusive property of GREENSOCK and you will not acquire any rights to the PROGRAM except as expressly set forth in this Agreement. You agree that any copies of the PROGRAM you make will contain the same proprietary notices which appear on and in the PROGRAM. You agree that GREENSOCK may identify you as a licensee unless you make a written request otherwise. GREENSOCK hereby grants to you the right to disclose that your app, product, game, component, or other Developed Work makes use of GREENSOCK code (for example, "Powered by GreenSock").

WARRANTY

GREENSOCK warrants that (i) it has the right to grant you the license enumerated in this Agreement; (ii) to the knowledge of GREENSOCK the PROGRAM shall be free from viruses; and (iii) all deliverables and components of the PROGRAM are either the original work of GREENSOCK, or GREENSOCK has obtained the rights, licenses, consents, permissions or approvals to grant to you the rights to use the PROGRAM

as contemplated hereunder; (iv) to the knowledge of GREENSOCK, the PROGRAM does not infringe upon, misuse, or misappropriate any intellectual property rights of any third party.

DISCLAIMER OF WARRANTY AND LIMITATION OF LIABILITY

EXCEPT AS EXPRESSLY PROVIDED IN V ABOVE, THE PROGRAM IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. GREENSOCK DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE PROGRAM WILL MEET YOUR REQUIREMENTS OR THAT OPERATION WILL BE UNINTERRUPTED OR ERROR FREE. GREENSOCK shall not be liable for special, indirect, incidental, or consequential damages with respect to any claim on account of or arising from this Agreement or use of the PROGRAM, even if GREENSOCK has been or is hereafter advised of the possibility of such damages. Because some states do not allow certain exclusions or limitations on implied warranties or of liability for consequential or incidental damages, the above exclusions may not apply to you. In no event, however, will GREENSOCK be liable to you, under any theory of recovery, in an amount in excess of the license fee paid by you under this Agreement. Notwithstanding anything else in this agreement, you agree to indemnify GREENSOCK and its assignees, and hold each of them harmless from and against any and all claims, losses, damages, and expenses, including legal fees resulting from any negligent act or omission by you.

GREENSOCK may, at its sole discretion, provide support services related to the PROGRAM, but has no obligation to do so.

TERMINATION

If you commit a material breach of this Agreement, GREENSOCK shall notify you of such material breach and allow you thirty (30) days to cure such breach prior to terminating this Agreement and the license granted herein.

MISCELLANEOUS

This Agreement shall be construed in accordance with the laws of the State of Illinois. In the event of any dispute between you and GREENSOCK with respect to this Agreement, we both agree that if we cannot resolve the dispute in good faith discussion, either of us may submit the dispute for resolution to arbitration with the American Arbitration Association before a single arbitrator using the AAA Rules for Commercial Arbitration. The arbitrator's decision is final and can be enforced in any court with jurisdiction over such matters.

This agreement represents the complete and exclusive statement of the agreement between GREENSOCK and you and supersedes all prior agreements, proposals, representations and other communications, verbal or written, between them with respect to use of the program. This agreement may be modified only with the mutual written approval of authorized representatives of the parties.

The terms and conditions of this Agreement shall prevail notwithstanding any different, conflicting, or additional terms or conditions which may appear in any purchase order or other document submitted by you. You agree that such additional or inconsistent terms are deemed rejected by GREENSOCK.

GREENSOCK and you agree that any xerographically or electronically reproduced copy of this fully-executed agreement shall have the same legal force and effect as any copy bearing original signatures of the parties.

APACHE LICENSE

VERSION 2.0, JANUARY 2004

1. DEFINITIONS

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

"Source" form shall mean the preferred form for making modifications, including but not limited to

software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."

"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. GRANT OF COPYRIGHT LICENSE

Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. GRANT OF PATENT LICENSE

Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. REDISTRIBUTION

You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

You must give any other recipients of the Work or Derivative Works a copy of this License; and

You must cause any modified files to carry prominent notices stating that You changed the files; and

You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and

If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. SUBMISSION OF CONTRIBUTIONS

Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. TRADEMARKS

This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. DISCLAIMER OF WARRANTY

Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely

responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. LIMITATION OF LIABILITY

In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. ACCEPTING WARRANTY OR ADDITIONAL LIABILITY

While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. Version 1.1 - 26 February 2007

PREAMBLE

The goals of the Open Font License (OFL) are to stimulate worldwide development of collaborative font projects, to support the font creation efforts of academic and linguistic communities, and to provide a free and open framework in which fonts may be shared and improved in partnership with others.

The OFL allows the licensed fonts to be used, studied, modified and redistributed freely as long as they are not sold by themselves. The fonts, including any derivative works, can be bundled, embedded, redistributed and/or sold with any software provided that any reserved names are not used by derivative works. The fonts and derivatives, however, cannot be released under any other type of license. The requirement for fonts to remain under this license does not apply to any document created using the fonts or their derivatives.

DEFINITIONS

"Font Software" refers to the set of files released by the Copyright Holder(s) under this license and clearly marked as such. This may include source files, build scripts and documentation. "Reserved Font Name" refers to any names specified as such after the copyright statement(s).

"Original Version" refers to the collection of Font Software components as distributed by the Copyright Holder(s). "Modified Version" refers to any derivative made by adding to, deleting, or substituting — in part or in whole — any of the components of the Original Version, by changing formats or by porting the Font Software to a new environment.

"Author" refers to any designer, engineer, programmer, technical writer or other person who contributed to the Font Software.

PERMISSION & CONDITIONS

Permission is hereby granted, free of charge, to any person obtaining a copy of the Font Software, to use, study, copy, merge, embed, modify, redistribute, and sell modified and unmodified copies of the Font Software, subject to the following conditions:

- 1) Neither the Font Software nor any of its individual components, in Original or Modified Versions, may be sold by itself.
- 2) Original or Modified Versions of the Font Software may be bundled, redistributed and/or sold with any software, provided that each copy contains the above copyright notice and this license. These can be included either as stand-alone text files, human-readable headers or in the appropriate machine-readable metadata fields within text or binary files as long as those fields can be easily viewed by the user.
- 3) No Modified Version of the Font Software may use the Reserved Font Name(s) unless explicit written permission is granted by the corresponding Copyright Holder. This restriction only applies to the primary font name as presented to the users.
- 4) The name(s) of the Copyright Holder(s) or the Author(s) of the Font Software shall not be used to promote, endorse or advertise any Modified Version, except to acknowledge the contribution(s) of the Copyright Holder(s) and the Author(s) or with their explicit written permission.
- 5) The Font Software, modified or unmodified, in part or in whole, must be distributed entirely under this license, and must not be distributed under any other license. The requirement for fonts to remain under this license does not apply to any document created using the Font Software.

TERMINATION

This license becomes null and void if any of the above conditions are not met.

DISCLAIMER

THE FONT SOFTWARE IS PROVIDED "AS IS", WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT OF COPYRIGHT, PATENT, TRADEMARK, OR OTHER RIGHT. INCLUDING ANY GENERAL, SPECIAL, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, WHETHER IN AN ACTION OF CONTRACT, TORT OR OTHERWISE, ARISING FROM, OUT OF THE USE OR INABILITY TO USE THE FONT SOFTWARE OR FROM OTHER DEALINGS IN THE FONT SOFTWARE.
