

GET **MAXIMUM** RETURN ON YOUR INVESTMENT

CAT® CERTIFIED MACHINE COMPONENT REBUILD

CAT MACHINE COMPONENTS ARE BUILT TO PERFORM NOT FOR ONE LIFETIME, BUT FOR MULTIPLE LIFETIMES.

DON'T LET THAT EXTRA VALUE GO TO WASTE

REVITALIZE ESSENTIAL MACHINE COMPONENTS FOR A FRACTION OF THE COST OF BUYING THEM NEW.

Restoring a key component's original performance and durability—plus incorporating product enhancements introduced after it was manufactured—improves the reliability of your machine and greatly extends its productive service life. A **Cat® Certified Machine Component Rebuild** returns your engines, transmissions, torque converters, axle assemblies, differentials or final drives to like-new condition, helping you get maximum return on your original machine investment.

REBUILD PROCESS

STEPS TO LIKE-NEW COMPONENTS

INSPECTION/EVALUATION

Perform fluid analysis and visual inspections; review available service history

COMPLETE DISASSEMBLY

Determine reuse of internal parts; replace others with new or remanufactured Cat parts

RECONDITIONING

Recondition all parts to be reused

ENGINEERING UPDATES

Recondition components to include the latest engineering designs

REASSEMBLY

Check and maintain critical component tolerances, replace all electrical items and perform quality checks on specific torque specifications

TESTING

Conduct quality and performance tests

REPAINTING

Paint component; apply Cat Certified Machine Component Rebuild identification plates and decals

FINAL INSPECTION

Install components and test all supporting systems to ensure proper operation and peak performance (performed by a certified Cat dealer service technician)

CUSTOMER EVALUATION

Ensure satisfaction with performance in the working environment

A process this extensive requires trained professionals, specialized equipment, stringent quality control and access to the latest technical information and is available only through a Cat Certified Machine Component Rebuild performed by your local Cat dealer.

COVERAGE OPTIONS

NEW WARRANTY, EXTENDED COVERAGE

Every Cat Certified Component Rebuild includes a new parts warranty on all replaced parts, and you can add an optional **Equipment Protection Plan (EPP)*** for additional peace of mind.
