

CAT® CUSTOMER VALUE AGREEMENT (CVA) FOR MINING

CAT MAINTENANCE FOR MINING PERFORMANCE CVA

When your maintenance team could use some extra support to help maximize uptime and production for your mining fleet, a Maintenance for Mining Performance CVA is just the ticket. This CVA includes dealer-performed technician services and inspections, along with genuine Cat® parts, PM kits and more – everything you need to lighten the workload on your maintenance operations.

Customize Your CVA

Ask your Cat dealer about customizing any of the three available Maintenance for Mining CVAs to meet the unique demands of your business and operations.

SUPPORTING YOUR MAINTENANCE OPERATIONS. TAKING A LOAD OFF YOUR MIND. **THAT'S A CVA.**

Addition of Cat fluids recommended as part of the CVA.

CUSTOMER VALUE AGREEMENTS – MAINTENANCE FOR MINING PERFORMANCE CVA

OVERVIEW

A Maintenance for Mining Performance CVA is a valuable maintenance management solution for Cat mining equipment. Hassle-free inspections and updates performed by your Cat dealer take pressure off of your maintenance team, while guaranteed parts and supplies ensure that you always have technician services on hand.

COVERAGE

The Maintenance for Mining Performance CVA includes:

- **PM Kits** – delivered to your site on time, right when you need them.
- **Dealer-performed PM4** (2,000-hour) services to ensure vital maintenance tasks and inspections are completed accurately.
- **Incentive pricing** on Cat dealer S•O•SSM fluid analysis, Cat filters and Cat fluids (where applicable).*
- **ECM software upgrades** performed by dealer technicians.
- **Component Assurance Programs** and CCPP (Turbos & Injectors Program, with an Aftermarket CVA purchase).
- **Option to upgrade to Condition Monitoring Advisor** services for even more proactive and in-depth maintenance alerts.
- **Single monthly payment option** – combine CVA costs with machine financing at time of purchase.

**Fluid analysis should be conducted through Cat dealer S•O•S Services or through a dealer-recommended supplier.*

BENEFITS

Lowest Maintenance Cost Per Hour

- On-time maintenance reduces costs per hour.
- With predictable monthly payments, exercise better control of your cash flow.
- Genuine Cat filters and fluids are designed to work together, saving you up to 40-80% on overall costs.
- Up to 80% lower fuel injector cost per hour with Cat filters.

Maximum Uptime

- Cat S•O•S fluid analysis and optional condition monitoring services help to improve uptime while reducing parts and labor costs.
- Up to 6X longer transmission fluid drain intervals and up to 2X longer engine working life with Cat fluids.
- Up to 50% longer component life with Cat filters.

Total Convenience – Tailored Service

- Reduced customer parts inventory.
- Component life guarantees and risk-sharing programs.
- Expert advice, inspections and trained labor provided by your trusted Cat dealer.
- Comprehensive support for every machine in your fleet, including clearing backlog.
- 100% hassle-free maintenance service.
