KEY ASPECTS

LOW COST OF OWNERSHIP

The Backhoe Loader offers great value for money. With innovative efficiency enhancing systems these machines make the most of every drop of fuel. Maintenance-free drive axles, the highest quality parts and a reliable, economical engine make these machines a great investment whether you rent or operate your machine.

READY TO WORK, ALL DAY EVERYDAY

Powered by the reliable, high torque 4-cylinder engine the Backhoe Loaders will keep you working even in the harshest conditions. In addition, the oil-immersed, multi-plate brakes, a balanced gearshift and axles all deliver optimal performance.

YOUR TOUGHEST WORKER

A range of transmission options from a manual transmission to the auto shift with lock up torque convertor are available to meet all customer requirements. Each transmission ensures that engine power is transferred to the wheels with minimal waste. This combined with low-noise and reduced fuel consumption, boost overall machine efficiency.

SAFETY WITHOUT COMPROMISE

Safety of the operator and working environment are paramount to the design of the Backhoe Loader. These machines have safety covered with retractable seatbelts, external and internal mirrors and roof mounted beacons. They also have a boosted braking system, reverse alarm and LED work lights.

THE WORLD'S BEST OFFICE

With a range of cab configurations, Cat Backhoe Loaders offer specifications suitable for every task and budget. Choose from a variety of seat options and combine with ergonomic control layout, high clarity display screens, large stowage compartments all maximise operator comfort.

SUPPORT & SOLUTIONS

SERVICE AND SUPPORT

When you've got a job that needs doing, you need a backhoe loader you can rely on. Our extensive dealer network brings a wealth of knowledge and experience to support your service back up requirements.

BACKING YOU EVERY DAY

Buy from Caterpillar and you're buying more than just a piece of equipment. You're also buying into a service and support operation that no competitor can match. Every Cat® dealer knows that all you care about is your machine being there when you need to use it; downtime is not an option. That's why we have the industry's best and most reliable dealer network, bringing you the tools, technologies and know-how to keep your machine productive and efficient.

FINANCIAL SOLUTIONS

Cat® dealers can assist you with payment terms structured to meet your needs. Because of their long history and understanding of the industry, they're able to offer you better approval rates, and more flexible terms and payments to suit your business.

Give your machine Cat® attachments and you are equipping it to do even more. As our attachments are engineered, balanced and tested to each Cat model, they promise to minimize stress and optimise performance, to make your work easier.
