

CAT® CUSTOMER VALUE AGREEMENT (CVA) FOR MINING

CAT GET & BUCKET CONFIDENCE CVA

Keeping buckets in top shape is an essential task that demands attention every day. A Cat® Ground Engaging Tool (GET) & Bucket CVA helps you optimize the performance of your bucket-equipped machines, maintaining maximum productivity and efficiency. With options to fit the needs of your operation, your customized CVA will help you control costs while making smart use of manpower and maintenance resources.

Customize Your CVA

Ask your Cat dealer about customizing any of the three available GET & Bucket CVAs to meet the unique demands of your business and operations.

Optimizing performance, efficiency and costs. **That's a CVA.**

CUSTOMER VALUE AGREEMENTS — GET & BUCKET CONFIDENCE CVAS

OVERVIEW

A Cat GET & Bucket Confidence CVA is the most comprehensive service package for a total bucket management. Go beyond replacements and plan ahead for all your rebuild work with guaranteed bucket availability and assurance* of GET expending.

COVERAGE

The Confidence CVA for GET includes:

- **Complete Inventory Management** — Your dealer manages on-hand buckets and GET, saving you time and effort.
- **GET Assurance** — Work with your dealer to customize a cost-per-ton or cost-per-hour model for your operation, and opt to be backed up by the GET Assurance program.*
- **Lease Rental Options*** — Get the buckets you need for short-term needs while your bucket is being rebuilt.*
- **Total Bucket Rebuilds** — Extend the life of your buckets with timely rebuilds from Cat dealer experts.
- **Expert Support and Health Management** — Your dealer will track and monitor GET usage with the Cat App and cost-per-ton/ consumption reporting.

*Available with limited number of Cat dealers and/or regions only

BENEFITS

Zero Unplanned Costs

- Monthly Payment per asset utilization
- Cost-per-hour model backed by the GET Assurance Program.*

Maximum Uptime

- Right parts at the right time: On-site delivery and inventory management services.
- Premium services: Minimize downtime with GET removal and installation services.

100% Performance

- Guaranteed bucket availability: You'll always have what you need on hand.
- Dealer inspections: Monthly reviews and 3D scanning, plus expert advice.
- The right parts every time: Dealer experts identify the best GET and Bucket configuration for your operation.
