

CAT® CUSTOMER VALUE AGREEMENT (CVA) FOR MINING

CAT GET PERFORMANCE CVA

A Cat® GET Performance CVA saves time and effort for your team, delivers better performance from your assets, and adds value to your entire operation. Your CVA starts with hassle-free ownership and maintenance, including guaranteed Ground Engaging Tool (GET) component availability and dealer inventory management. Plus, you get peace of mind from GET management by dealer experts and tailored for your operation.

Customize Your CVA

Ask your Cat dealer about customizing any of the three available GET & Bucket CVAs to meet the unique demands of your business and operations.

Managing supplies and controlling costs. **That's a CVA.**

CUSTOMER VALUE AGREEMENTS — GET PERFORMANCE CVA

OVERVIEW

A Cat GET Performance CVA is the next step in GET management solution. It provides predictable costs plus dealer labor and essential inspections.

COVERAGE

The Performance CVA for GET includes:

- **Complete inventory Management** — Your dealer manages on-hand GET, saving you time and effort.
- **Pay-As-You-Go Affordability** — You pay only for the GET components you use.
- **Optional Removal & Installation (R&I)** — Receive instructions and tooling to DIY or opt for our dealer GET R&I services.
- **Asset Optimization with Wear Package Kits Delivery** — Get wear package kit delivery and lip rebuild advice from your Cat dealer.
- **Expert Support and Component Health Management** — Your dealer tracks and monitors GET usage with the Cat App to improve utilization and cost prediction.

BENEFITS

Zero Unplanned Costs

- Pay for GET stock when you use it.
- Pricing terms flexibility with the optional cost-per-ton or cost-per hour model.

Maximum Uptime

- Right on time: On-site delivery and inventory management services
- Minimize downtime: Receive instructions and tooling to remove and install GET quickly, correctly and safely, or opt for professional removal and installation services from your Cat dealer.

100% Performance

- The right parts every time: Dealer experts identify the best GET for your operation.
- Dealer inspections: Monthly reviews and expert advice.
- Technical consultation: Receive advice from inspection data and opt for operation and maintenance training for your crew.
