

ELECTRIC POWER SERVICES & REPAIR OPTIONS

You chose Cat® generator sets, and now you want to maximize the value of your investment throughout the life of your equipment. Cat services and repair options offerings extend the life of your generator sets, increase original generator set performance, and are designed to reduce owning and operating costs.

Caterpillar provides the most comprehensive selection of services and repair options throughout the generator set's entire life cycle.

- **WEAR AND MAINTENANCE**
- **ENGINE OVERHAUL, REBUILD, AND REPLACEMENT**
- **EQUIPMENT UPGRADES AND RETROFITS**

We have options focused on key considerations including affordability, utilization, availability, and options to help meet your sustainability goals.

WEAR AND MAINTENANCE

Maintain peak performance, avoid unplanned downtime, and maximize the life and value of your generator set with genuine Cat replacement parts designed specifically for your generator set model.

PLANNED MAINTENANCE KITS

- Easy to order
- Customizable
- All necessary parts conveniently packaged

CAT® S-O-SSM SERVICES

Fluid analysis is one of the simplest steps you can take to keep your owning and operating costs in check.

- Optimize time between oil drain intervals
- Receive condition-based fluid data
- Reduce downtime when combining with maintenance

ENGINE OVERHAUL, REBUILD, AND REPLACEMENT

Manufactured to precise specification and engineered for highest quality and reliability. Cat generator set engines are built to be rebuilt. From basic repairs to complete rebuilds, your Cat dealer has the expertise to help you get the most out of your generator set. Whatever your production or budget targets, Cat provides the most comprehensive and flexible repair options available to help you choose the most competitive and sustainable repair solution for your generator set.

- **New:** New components
- **New with Core*:** New components at a discount with your used part return
- **Reman*:** Remanufactured components with your used part return

*Supported through Cat Remanufacturing (Reman)

THE CAT REMAN DIFFERENCE

Reman is the process of returning components and engines to their original performance specifications and incorporating the latest Caterpillar factory upgrades through the use of state-of-the-art salvage techniques, strict reuse guidelines, advanced manufacturing, and unmatched quality control.

- **Sustainable**
 - Cat Reman collected 127 million pounds of material through end-of-life returns in 2021.
 - Remanufacturing produced more than 60% fewer greenhouse gas emissions compared to new-engine manufacturing.
- **Economical**
 - Costs up to 40% lower than new.
- **Timely**
 - Reduced downtime with upfront delivery of your remanufactured components.
- Cat Reman engines, parts, and components are backed by a **12-month Caterpillar warranty** and supported by an industry-leading dealer network.

ENGINE REBUILD AND REPLACEMENT

COMPLETE ENGINE

LONG BLOCK

SHORT BLOCK

Cat Reman short blocks, long blocks, and replacement engines offer maximum value by providing improved productivity and efficiency at a fraction of the cost of new, while reducing the impact on the environment. The results are maximum engine productivity and lower life cycle costs.

UPGRADES AND RETROFITS

Increase the profitability and capabilities of your Cat generator set as you apply the latest available technologies through upgrade and retrofit repair options from the experts who build your equipment. Our Cat upgrade and retrofit repair options will help:

- Enhance the performance of your generator set for increased efficiency and lower operating costs.
- Add new capabilities to improve your generator set's economic viability and extend its useful life.

GUARANTEED TO LAST

Extend your equipment life with Cat services and repair options. Your Cat dealer will walk you through a series of questions and provide repair options tailored to your generator set needs. Genuine Cat new and Reman parts are backed by our 12-month warranty, so you can feel confident selecting a repair option through your Cat dealer.
