

CAT[®] POWERTRAIN GUARANTEE CVA

CAT[®] CUSTOMER VALUE AGREEMENTS FOR MINING
Equipment ownership plans tailored by your Cat dealer for the needs of your operation.

LONGER LIFE. MORE UPTIME. LOWER TOTAL COSTS. THAT'S A CVA.

A Powertrain Guarantee Customer Value Agreement (CVA) offers valuable, tailored protection after the standard machine warranty expires. Adding a Powertrain Guarantee CVA to the purchase of qualifying Cat® equipment helps you protect your machines' most critical components and maximize the return on your investment. These CVAs deliver confidence and peace of mind while helping you reduce your owning and operating costs.

Choose from three levels of customizable CVA service:

- 1. Convenience** — Your Cat dealer provides planned maintenance (PM) and repair parts while ensuring asset optimization.
- 2. Performance** — Your Cat dealer provides condition monitoring advice, planned maintenance, forecasting, repair parts, and dealer labor on a cost-per-hour basis.
- 3. Confidence** — Guaranteed life at a fixed cost per hour supported by machine oversight with recommendations through Cat Mining Services. Your Cat dealer provides planned maintenance, forecasting, repair parts, and dealer labor.
