FOR IMMEDIATE RELEASE

Caterpillar Announces Appointment of New Independent Director *Nazzic Keene to Join the Board*

IRVING, TX, Oct. 11, 2024 - Caterpillar Inc. (NYSE: CAT) today announced that Nazzic S. Keene, former chief executive officer of Science Applications International Corporation (SAIC), has been appointed to the Caterpillar board of directors, effective Nov. 1. Keene will serve on Caterpillar's Nominating & Governance Committee and Compensation & Human Resources Committee.

“We are pleased to welcome a leader of such high caliber to our board,” said Caterpillar Chairman and CEO Jim Umpleby. “With Nazzic’s leadership history of driving growth and change in the information technology industry, Caterpillar is well positioned to help our customers build a better, more sustainable world and deliver long-term profitable growth.”

Keene, 63, retired in 2023 after four years as CEO and a director of SAIC, a multi-billion-dollar global company engaged in integrating information technology systems that manage engineering, large-scale IT modernization, and security, logistics, simulation and data analytics for government bodies. She was appointed to the position of CEO and elected as a director after having served as Chief Operating Officer of SAIC from 2017 to 2019 and as the President of Global Markets & Missions from 2013 to 2017. Ms. Keene is currently a director of Automatic Data Processing Inc. and ITT Inc.

Forward-Looking Statements

Certain statements in this press release relate to future events and expectations and are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as “believe,” “estimate,” “will be,” “will,” “would,” “expect,” “anticipate,” “plan,” “forecast,” “target,” “guide,” “project,” “intend,” “could,” “should” or other similar words or expressions often identify forward-looking statements. All statements other than statements of historical fact are forward-looking statements, including, without limitation, statements regarding our outlook, projections, forecasts or trend descriptions. These statements do not guarantee future performance and speak only as of the date they are made, and we do not undertake to update our forward-looking statements.

Caterpillar’s actual results may differ materially from those described or implied in our forward-looking statements based on a number of factors, including, but not limited to: (i) global and regional economic conditions and economic conditions in the industries we serve; (ii) commodity price changes, material price increases, fluctuations in demand for our products or significant shortages of material; (iii) government monetary or fiscal policies; (iv) political and economic risks, commercial instability and events beyond our control in the countries in which we operate; (v) international trade policies and their impact on demand for our products and our competitive position, including the imposition of new tariffs or changes in existing tariff rates; (vi) our ability to develop, produce and market quality products that meet our customers’ needs; (vii) the impact of the highly competitive environment in which we operate on our sales and pricing; (viii) information technology security threats and computer crime; (ix) inventory management decisions and sourcing practices of our dealers and our OEM customers; (x) a failure to realize, or a delay in realizing, all of the anticipated benefits of our acquisitions, joint ventures or divestitures; (xi) union disputes or other employee relations issues; (xii) adverse effects of unexpected events; (xiii) disruptions or volatility in global financial markets limiting our sources of liquidity or the liquidity of our customers, dealers and suppliers; (xiv) failure to maintain our credit ratings and potential resulting increases to our cost of borrowing and adverse effects on our cost of funds, liquidity, competitive position and access to capital markets; (xv) our Financial Products segment’s risks associated with the financial services industry; (xvi) changes in interest rates or market liquidity conditions; (xvii) an increase in delinquencies, repossessions or net losses of Cat Financial’s customers; (xviii) currency fluctuations; (xix) our or Cat Financial’s compliance with financial and other restrictive covenants in debt agreements; (xx) increased pension plan funding obligations; (xxi) alleged or actual violations of trade or anti-corruption laws and regulations; (xxii) additional tax expense or exposure, including the impact of U.S. tax reform; (xxiii) significant legal proceedings, claims, lawsuits or government investigations; (xxiv) new regulations or changes in financial services regulations; (xxv) compliance with environmental laws and regulations; (xxvi) catastrophic events, including global pandemics such as the COVID-19 pandemic; and (xxvii) other factors described in more detail in Caterpillar’s Forms 10-Q, 10-K and other filings with the Securities and Exchange Commission.
