

CATERPILLAR MANAGED ACCOUNTS

OUR COMMITMENT TO YOU

SUCCESS THROUGH SUPPORT, SERVICES AND SOLUTIONS.

Caterpillar Managed Accounts is committed to helping you achieve your goals with a focus on lowering your total cost of ownership and providing consistent support that your organization can count on. It's what we've been committed to for over one hundred years.

WHAT OUR COMMITMENT ASSURES YOU:

CONSISTENT SUPPORT

You get a dedicated Caterpillar contact, prioritized machine and parts availability, access to Caterpillar and Cat® dealer experts and unique solutions tailored to your organization. With a framework agreement in place, you'll have a seamless experience when working with Cat dealers around the world. We're here to keep your business growing.

CUSTOMIZED SERVICES

Access simplified fleet management solutions and plan for the long-term. Let Caterpillar Managed Accounts help manage your assets and track your goals. We'll use data to help you find the best time to complete a rebuild. We'll even monitor the condition of the machines in your fleet to help increase productivity and minimize downtime.

ADVANCED SOLUTIONS

Leverage our eCommerce tools to simplify your operation. Cat Integrated Procurement, Parts.Cat.Com, Cat Central and others, make getting parts online quick and easy. You can also access training, safety and parts information on the go. It's all designed with you in mind.
