

**On behalf of DSW Inc., thank you for your request for support!**

Each year, through our philanthropic platform, Shoe Lovers Care, DSW reserves funds to support the non-profit organizations our associates are passionate about. Because these funds are allocated solely for those organizations, we are, unfortunately, unable to direct them to your organization.

However, DSW associates are always eager to lend a hand! So we encourage you to invite them to volunteer at your events. They are your key to possible funding opportunities, so the first step is helping them fall in love with your organization!

Thank you for your interest and good luck!
