Working from home should include spaces that provide comfort and relaxation.

Fulton Rocker pairs an upholstered lounge of generous proportions with rich materials, elevating the humble rocking chair to an elegant, modern-day classic. Whether placed in a quiet bedroom or den, or an active family room, working at home never felt so good!

Work no longer has to be in an office, or settled in one place.

These activities can be carried out comfortably at home. Handcrafted out of natural, quality materials that age with grace and become more precious with time, **Simple Desk + Essens** offer great flexibility making it suitable for a composed home office, bedroom workplace, or kitchen nook.
