WING OCCASIONAL TABLE SERIES

WING OCCASIONAL TABLE SERIES

Barbara Barry has created an extensive collection of seating and occasional tables reflecting her signature style – simplicity of line and purity of form – combined with HBF’s quality construction. Distinctive architectural features with a refined sense of modern elegance provide luxurious aesthetics for today’s interiors. Rhythmic wing formations in brushed stainless steel support generous top discs to create the sculptural Wing side and coffee tables.

"Design requires an unerring eye for line, scale and proportion; but also a commitment to practicality, simplicity and quality"... Barbara Barry
