IRWIN VISE-GRIP Locking Multi-Pliers

The new IRWIN® VISE-GRIP® Locking Multi-Pliers feature the legendary, dependable locking pliers performance tradesmen have trusted since 1924. The multi-pliers design features a fold-out stainless steel serrated knife blade and a fold-out screwdriver including a 1/4" bit holder with 6-8 slotted and #2 Phillips® bits. The four-tools-in-one design allows users to carry fewer tools on the job and are backed by the IRWIN VISE-GRIP Lifetime Guarantee. The VISE-GRIP multi-pliers are available in 5WR, 5CR and 6LN jaw types.

Multi-Pliers

FEATURES

1. Fold-out knife features a stainless steel blade for convenience
2. Fold-out screwdriver includes a 1/4" bit holder with 6-8 slotted and #2 Phillips® bits
3. Constructed of high-grade, heat treated alloy steel for maximum toughness and durability
4. Hex key adjusting screw offers controlled release and draws materials together

5WR

Curved jaw with a wire cutter

5CR

3X* More gripping power

6LN

Easy access in narrow, hard-to-reach places
