

Rubbermaid® Flex and Seal™ Canisters

Great for storing cereals, pastas, and other dry foods, the Flex & Seal Canister has a soft, flexible dual-material lid that is easy to remove and replace. With a superior seal to keep food fresh, the cap folds back in an open position for single-handed pouring. Also, the large mouth allows for smooth pouring.

Care & Use

To keep your new containers performing at their best, please read the following:

- Remove label and wash before use.
- This item is made of materials that are safe for normal household dishwashers. Be sure that the item is secured so that it does not come in contact with the dishwasher element to avoid melting.
- Do not use utensils with sharp edges (i.e. knives) in the container, as they could scratch or scuff the container surface.
