Adding your bath mat to your shower or tub

To place your bath mat for the first time in your shower or tub, we recommend the following:

- Rinse mat and clean tub before use
- Wet base of tub
- Place mat in position with suction cups face down
- Press firmly to grip surface and hold tightly in place
- Continue filling tub and step carefully onto mat to make sure it is secure to tub

Care and Use

To keep your new bath mat looking and working at its best, we recommend the following:

- Surface wash mat and clean tub regularly to aid against buildup of slipper residue
- Periodically, it is recommended to thoroughly clean the mat on both sides using ordinary household detergents. DO NOT use any solvents or bleach
- DO NOT USE ON UNEVEN OR TEXTURED SURFACES
